My 4-H Story

Your 4-H story should be written in complete sentences. Include these questions into your story: what 4-H experiences have meant to you? What was your most engaging project area? What project area was the most challenging? What did you learn in 4-H that relates to other parts of my life? What are your plans for the next 4-H year? (Use extra pages if needed.)

Your 4-H record book is an organized presentation of what you have learned and accomplished in 4-H. It is a useful tool for determining your own progress and personal growth.
